NAME OF GAME: Pop-A-Can

MANUFACTURER: State Fair Supply Co.
34 Mill Street
Paterson, NJ 07501

APPLICANT: State Fair Supply Co.
34 Mill Street
Paterson, NJ 07501

The game named above is hereby granted a Certification of Permissibility for operation in New Jersey pursuant to the provisions of the Amusement Games Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to license or operate any amusement game in the State of New Jersey without a valid Certification of Permissibility or in a manner not in accordance with Certification of Permissibility issued for the game. This Certification of Permissibility contains four pages. This is page 1 of 4.

GAME DESCRIPTION:

“Pop-A-Can” is a game where a player shoots a spring loaded pistol, which projects a single ball towards three stacked cans. The game is played with three stacked cans in a pyramid shape formation located a pedestal and a pistol which allows the player a single shot. The object of the game is for the player to successfully knock all three cans off the pedestal. If all the cans have been knocked off the pedestal the player wins the game.

DEFINITIONS:

“Obstruction” means any portion of the stand/structure, any light or other type fixture, any box, bag, prize or other material.

“Play field” shall be the area between the player position extending two (2) feet behind and two (2) feet on either side of any pedestal used for game play.

“Prize Category” means a prize, or group of prizes of comparable value, available to a player upon completion of the task necessary to win a prize in a particular category or available to a player by “trade up.”

“Prize category designation” means the identifier of one of the six authorized prize categories prescribed by condition 10 of this Certification of Permissibility.

“Professional quality” means that the surface of the sign to be used must be smooth and rigid in nature and not made from paper or corrugated cardboard, unless laminated.

“Round of play” means the sale of a right to participate, the event which determines whether the player wins or loses and the award of the prize.

“Stand/structure” means any stand, structure, booth, tent, trailer or area in which the game is operated.

“Trade up” means trading multiple prizes of a lower prize category for a prize in a higher prize category.

CONDITIONS:

- 1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-.3.4.
- 2.) The play field shall be clear of all obstructions.
- 3.) The play field shall be contained within the stand/structure in which the game is located.
- 4.) No merchandise shall be allowed in or around the stand/structure for display purposes only.
- 5.) All prizes displayed must be available to be won either in a single round of play or by trading up through continued play.

- 6.) A sign explaining prize category trade up requirements shall be conspicuously posted at all times during the operation of the game.
- 7.) The minimum size of a sign containing the statement required by condition number 6 of this certification shall be 8.5 inches x 11 inches. The sign shall be of professional quality and shall consist of block letters of at least .50 inches. The background and the letters of the sign shall be electronically displayed or permanently printed of contrasting colors.
- 8.) All prizes available through the play of the game shall be conspicuously displayed above the front counter height of the stand/structure.
- 9.) The maximum number of prize categories shall be six (6).
- 10.) Prize categories from the lowest to highest in values shall only be known, referred to, designated, or labeled as: Small; Medium; Large; X-Large; Jumbo or Choice.
- 11.) The prizes to be awarded shall be labeled to indicate category. Prizes shall be labeled individually or as a clearly delineated group of the same prize category.
- 12.) The maximum number of prizes required in order to trade up to the next higher prize category shall be three (3). (IE: Three Small prizes are required to trade up to one Medium prize. Three Medium prizes are required to trade up to one Large prize. Three Large prizes are required to trade up to one X-Large prize. Three X-Large prizes are required to trade up to one Jumbo prize. Three Jumbo prizes are required to trade up to one Choice prize.)
- 13.) All game operating equipment such as pistol and cans shall be in like new condition. If any piece of equipment does not meet the like new criteria shall be removed from game play.
- 14.) All cans shall be of same size, weight, shape and conducted in such a manner that the projected ball has the ability to knock off the cans from the pedestal.
- 15.) All balls used for game play shall be the same size, shape and weight. The balls used are not to be altered in any way that will effect the outcome of game.
- 15.) All pistols shall be secured to the front counter of the stand/structure in a manner that will prevent its removal and that will only allow the pistol to be pointed in the direction of the target.
- 16.) All pistols shall be connected to the counter maintaining a minimum spacing of 21 inches between it and any other pistol or any obstruction in the stand/structure.

This Certification of Permissibility is not a license to operate the captioned gambling device. The game must be licensed in accordance with the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this Certification of Permissibility upon notice to the manufacturer, operator and/or applicant.
